The 28th Annual Inverness Park Community Garage Sale

Saturday, May 17, 2008: 8:30 a.m.

Time to Mark Your Calendars!!

This year marks the 28th year we will hold the Annual Inverness Park Community Garage Sale. If you haven't participated before, here is how it works. **Inverness Park** homeowners hold garage sales in their own garages, and I coordinate all the advertising, publicity, map making and "Garage Sale" flyers. The fact that we hold all the garage sales on the same day brings in huge amounts of buyers and adds to the success of this popular event. I will include your address on the master list and map. Your responsibilities include setting up your own garage and marking prices. I will advertise the garage sale, create a master list of garage sale addresses, pass these maps out to prospective buyers and set up all the signs directing people to your home.

If you would like to participate in the **28th Annual Inverness Park Community Garage Sale**, please fill out the form below, and either mail or fax it back to me. If you wish, you can also email your information to me at Bill@BillClarkson.com. Please feel free to call me if you have any questions and/or ideas.
